Dear Ms. O'Brien

This letter responds to your 22 August 2013 FOIA Request Number FA-13-0032, regarding any/all legal findings and/or court rulings in the US vs PFC Bradley Manning. The Military District of Washington Staff Judge Advocate's Office informs that the government previously released appellate and other exhibits that were published in court in their entirety. These documents are posted to the FOIA reading room. The remainder of the documents will not be reviewed and evaluated for FOIA release, and are exempt from release, until they have been authenticated record of trial which could take several months. This request will be closed and you may submit at a later date.

Please contact me directly if you have any further questions. I may be reached at (703) 696-8516.

Sincerely,

TONI L. JELKS
